AL FATTAN MARINE TOWERS

Situated along Dubai’s southern shoreline, Al Fattan Marine Tower is a modern development effortlessly combining private residences with retail outlets; this is a stunning self contained community.

Built along the shores of the Arabian Gulf, and nestled close to the waters of Dubai Marina, this tower boasts an enviable location, offering proximity to landmarks such as the Gardens Shopping Mall, The Palm Jumeirah, Dubai Media and Internet City and the arterial Sheikh Zayed Highway.

Life in Al Fattan Marine Tower promises to exceed all expectations, be it realizing an investment or fulfilling the dream of a beachside lifestyle. Several entertainment and recreation opportunities are on offer, the development also has extensive facilities for shopping, sports and dining. Other community features include promenades, walkways and gardens, children’s facilities and the highest levels of security.

Al Fattan Marine is an exclusive 51 storey waterfront residential property, offering freehold ownership to all nationalities. Designed by a team of international architects and specialized consultants, the two imposing towers command immediate attention and admiration as they soar above the beachside community.
