

Dubai Marina

AL MAJARA TOWERS

Al Majara Towers is a five building residence comprising high rise waterfront apartment towers which overlook the largest bay of water at the master planned Marina development.

Al Majara buildings range from 8-36 storeys high, offering unparalleled views of the Gulf, the world class Emirates Golf Course, and Dubai Marina itself. Features on offer at the Marina complex include an 11km marina promenade, fine dining restaurants, family themed eateries and café's, retail outlets and a supermarket.
