

Dubai Marina

AL SAHAB TOWERS

Al Sahab is a spectacular twin tower, 44 storey, high rise waterfront development directly overlooking the largest bay of water at Dubai Marina. Apartments on level three and above boast spectacular views over the Arabian Gulf, Dubai Marina itself, world class golf courses and the surrounding desert.

The Al Sahab complex will also have an 8000 square foot spa and fitness club facility housed in a separate building, which will also include outdoor terraces, a swimming pool, gym, squash court and aerobics studio. Other amenities offered to residents will include a Hollywood style movie theatre, bicycle paths and walkways, waterfront restaurants, covered car parking, health clinics, boutiques and child care centres.

Al Sahab offers spacious one, two and three bedroom apartments, fitted with high quality fittings and finishes. The Designer suite includes packages with stone countertops, breakfast bars and designer cabinetry. A complete appliance collection is also included. All apartments have high-speed digital technology for internet, TV and voice communications.
