

Dubai Marina

AZURE

Azure is one of the few low-rise freehold residential projects located in Dubai Marina. Situated next to Marina Residence and Cascades, this six storey apartment building is Bonyan Emirates first development and offers one, two, three and four bedroom units from 847 up to 2,855 square feet. Azure will contain 77 units, located next to a huge park.

This development offers exclusive waterfront living, with spacious, bright and airy rooms all designed to take advantage of sunlight and sea breezes. Wide balconies and large windows are standard.

Attention to detail within this project is impressive, fixtures and fittings are high end and to the highest standards. Features such as central air conditioning, satellite television, built-in wardrobes and state-of-the-art internet connections are standard.

Azure is also excellently located to take advantage of all that Dubai Marina has to offer. Attractions include the Marina Promenade, numerous fine dining restaurants, family eateries, a pharmacy, boutiques and a supermarket. Beyond the Marina, Azure is mere minutes from the arterial Sheikh Zayed Highway, the hub of Dubai Internet and Media City, five star hotels, schools, parks and premier golf courses.
