

Dubai Marina

BELVEDERE

The Belvedere at Dubai Marina is a newly introduced project by ETA ASCON. This luxurious low-rise caters to anyone looking for the beauty and tranquility of marina life, at an affordable price.

The epitome of elegance and comfort, Belvedere is unique in design and offers a lavish lifestyle, luxe living combined with sophistication and style.

This seven storey development offers amazing views of the Marina and its vistas and in keeping with the concepts of luxury and exclusivity the Belvedere apartments feature every conceivable modern amenity. Landscaped exteriors extend to private gardens for ground floor apartments and landscaping is lush and green throughout. Facilities within the project also include basement car parking, a gym, swimming pool and steam, sauna and Jacuzzi rooms.
