DUBAI MARINA STAR

Be it Cannes or Monte Carlo, waterfront properties have always been the playground of the world's elite, Dubai Marina Star is one of the best planned waterfront properties in the world. Offering a unique blend of beauty and luxury living, this ground plus 24 storey residential tower, located on Marina Walk, is grandeur personified.

Marina Star is situated right next to one of the largest parks in Dubai Marina, an ideal environment for jogging, walking and with breathtaking views from its Apartments, Villas, Penthouse and pool areas.

This development has been meticulously planned to maximize views of the surrounding Ocean, Marina and Parks, all residences have been designed to take advantage of the year round sunshine and individual privacy is also a high priority. Each apartment displays uncompromising standards and perfect use of space. Pristine beaches are within walking distance, and a variety of restaurants, shops and cafes are close by within the Marina complex.
