# INFINITY

Infinity is an 80-storey residential tower that spirals in a smooth curve by an astonishing 90 degrees to give every apartment a stunning view of the sea or marina. Infinity’s dynamic twisting shape challenges conventional architecture and redefines standards of luxury. Infinity is located on a corner plot directly across the water from Grosvernor House.

Every apartment enjoys contemporary styled interiors, marble and wood finishes, and premium fixtures and fittings. Every apartment has fully fitted kitchens with appliances, bedrooms with built-in wardrobes, as well as high-speed Internet facility and access to digital/satellite TV, and a comprehensive home automation system.

The building’s residential amenities include a fully landscaped podium with a rooftop park, outdoor infinity pool, whirlpool, children’s pool, health spa with treatment rooms, gymnasium, conference rooms, cigar lounge, nursery, outdoor tennis court, 5-storey secure parking behind the building, and 24-hour concierge and security.
