

Dubai Marina

LA RESIDENCIA DEL MAR

La Residencia del Mar is a waterfront property developed by Palma Real Estate. Located at Dubai Marina, this project is a brilliant fusion of refined lifestyle, inspirational design and superb amenities.

Far from the hustle and bustle of the city yet close to everything a refined lifestyle demands, Residencia del Mar is strategically located to take advantage of all that Dubai Marina has to offer. This project is 15 storeys high, with only three apartments on each floor it offers residents privacy and peace.

Dubai Marina offers an impressive range of residential and recreational facilities, waterfront shopping, restaurants and parks all centred on the strikingly beautiful marina. A mere 20 minutes drive from down town Dubai, the marina is close to schools, universities, restaurants, hotels and health care facilities.
