MANCHESTER TOWER

Manchester Tower is a 31 storey residential tower ideally located in the Dubai Marina project. This development overlooks an eleven kilometer marine frontage and is situated just 300 meters from Jumeirah beach. Manchester Tower comprises 336 luxury apartments including studio, one, two and three bedroom apartments with four show-rooms on the ground floor. These freehold apartments come inclusive of residence permit facilities for all nationalities.

The grounds surrounding the tower are green, and well maintained, with facilities for children including a play area and a day care centre. It also offers a wealth of other facilities such as a gym, swimming pool, communal barbeque area, restaurant and supermarket. The building has a 24 hour concierge, central security system and covered parking.
