MARINA DIAMOND I

The Marina Diamond series of towers are strategically located within the heart of the affluent Dubai Marina project. This rapidly flourishing new development is fast becoming the premiere residential address in new Dubai.

Marina Diamond I lies within the Dubai Marina, one of the most exquisite and sought after locations in the Middle East.

Marina Diamond I is a two block building offering three types of residence, namely studio, one and two bedroom apartments. The residents have 100% freehold ownership with residency permits a guarantee.
