# MARINA DIAMOND II

The Marina Diamond series of towers are strategically located within the heart of the affluent Dubai Marina project. This rapidly flourishing new development is fast becoming the premiere residential address in new Dubai.

Marina Diamond II is a 15-storey residential property which gives 'home' a new meaning. Marina Diamond II also offers studio, one and two bedroom apartments. Some residences have a view of the Marina, while others overlook Jumeirah Lakes and Sheikh Zayed Road. Freehold status is the same as Marina Diamond I with residency permit as standard.
