MARINA DIAMOND III

The Marina Diamond series of towers are strategically located within the heart of the affluent Dubai Marina project. This rapidly flourishing new development is fast becoming the premiere residential address in new Dubai.

Marina Diamond III is a 15-storey residential tower surrounded by open green space, water features and pedestrian boulevards.

Marina Diamond III offers three types of residence, namely studio, one and two bedroom apartments. The studio is fully furnished while the one-bedroom and the two-bedroom units are equipped with high quality kitchen appliances. The residents have 100% freehold ownership with residency permits a guarantee.
